

I am unable to approve the designated portion of Section 110. This provision requires a two-week notice prior to the transfer of the reduction in force savings. The provision would unnecessarily delay the implementation of the across-the-board reduction, which applies to the appropriation base only after all other legislative and executive branch reductions have been effectuated. The Department of Management will make a timely report of the transfers to the appropriations committee and subcommittee chairs, and to the Legislative Fiscal Bureau.

I am unable to approve the item designated as Section 508, in its entirety. This provision strikes the general fund appropriation for radio communications, with the intent that it be replaced with an appropriation from the Road Use Tax Fund. However, it is necessary to retain the appropriation as a vehicle for receiving the reimbursement, therefore, an item veto of this section is necessary.

For the above reasons, I hereby respectfully disapprove these items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 2116 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*
